

## Don't let a bad logo sink your business.

Logos that work are clear, scalable, and have a long shelf-life. A bad logo could cause you to miss potential customers. We will create a logo that works.

## Get your FREE logo rating report card.

We will create a written assessment of your current logo that will determine if your logo meets the 6 requirements of an effective logo.

## Does your logo work?

See if your logo works with a **free logo rating** from our team of professional designers:
